Student account information, including estimated billings, can be found on MyGC. Please use this information to plan adequately and meet payment requirements for the 2013-14 year.

**Note:** Interest of 12% annually (1% per month) will be levied against charges unpaid 30 days after statements are issues. Refund Policy

The following tuition refund procedures apply to students who withdraw or are dismissed from the institution, change status from full time to part time, or reduce hours as a part-time student. Room and board refund rates apply to students who withdraw, are dismissed, or change from resident to commuter status.

Refund procedures.
Voluntary withdrawal: Students who withdraw completely from the college initiate the process by contacting Student Life (AD14). The associate dean of students will direct the withdrawal process including official notification of the academic adviser, registrar, resident director (if residence-hall student), food service contract, accounting office and student financial aid office. Students who only reduce their hours of enrollment must contact their academic adviser and the registrar.

Involuntary withdrawal: The registrar’s office establishes the last date of attendance for students who stop attending classes and do not follow withdrawal procedures. The registrar’s office contacts professors, the student’s adviser and residence life personnel to document the last date of attendance.

Final settlement of financial aspects of the withdrawal process can take several weeks. A day-by-day refund schedule is posted in the accounting office and at http://www.goshen.edu/financialaid/refund. The refund percentage for the semester follows the federal regulations for refunding financial aid. There is no refund after the last day to withdraw with a “W” which is when 60 percent of the semester is completed.

Room and board refund rates, following day 1, are prorated daily until the last date to withdraw with a “W.” No refunds are given after the “W” date.

Refund rates for students enrolled in the May term only are the same as those listed above, but the 100-percent refund rate applies only to days 1 and 2 (drop/add period).

A student financial aid recipient will have earned aid according to the formula listed above. Exceptions are during the 100 percent refund period, where no aid is earned since no costs are incurred. The full formula for determining the amount of Title IV federal aid that is earned, and how unearned portions are returned to the federal programs is outlined in CFR 668.22. Institutional aid earned is calculated according to the same procedures, with the exception that any credit left on the student’s account after the refund listed above will first pay back any current year loan owed to Goshen College.

Withdrawal and Refund Policy for Reservists Called to Active Duty. Any student called to active duty may withdraw from courses up until the last day of the semester. If the withdrawal comes during the first nine weeks of the semester, normal withdrawal and refund policies take effect. If departure comes after the ninth week, the student has the option of withdrawal “W” or incomplete “I”. Options should be discussed with and approved by the course instructor(s). If course withdrawal “W” is pursued, tuition and fees will be refunded on a prorated basis. The official date of withdrawal will be used to calculate the refund. Students receiving financial aid will be subject to refund policies as provided for by the agencies sponsoring the aid. Reservists called to active duty who wish to withdraw from courses must provide the Registrar with a copy of their orders.
